

Dear Friend, Family, Colleague, Collaborator, et cetera,
it is my pleasure to invite you to the defence of my Ph.D. thesis

Generative Interpretation of Medical Images

April 1st 2004, 13:15, IMM, DTU, room 053
(entrance from building 321 or 305).

[Any colleagues with interest in this thesis are also warmly welcomed.]

The assessment committee consists of:

Professor Milan Sonka, University of Iowa
Senior Lecturer Daniel Rueckert, Imperial College London
Professor Lars Kai Hansen, Technical University of Denmark

The Ph.D. project has been supervised by:

Associate Professor Rasmus Larsen, IMM, DTU
Associate Professor Bjarne K. Ersbøll, IMM, DTU
Professor Henrik B. W. Larsson, DRCMR and Trondheim University

A reception will be arranged for all the patient listeners after the presentation and examination.

Transportation: <http://www.imm.dtu.dk/transport.htm>

Cheers,
Mikkel B. Stegmann
